

LEVEL 5–7

Strategic Management

Set direction, manage resources and turn strategy into results.

Level	Level 5–7
Duration	6–12 months, part time, depending on level
Delivery	Online through the Greystone LMS, with one-to-one tutor reviews
Assessment	Assignments and a strategic project, marked by your tutor
Entry requirements	Normally a Level 4 qualification or significant management experience.
Qualification number	To be confirmed with awarding body

Qualification overview

These qualifications focus on the strategic side of senior roles: analysing the environment, developing and implementing strategy, managing finance and resources, and measuring organisational performance. Learners work on projects based on the challenges facing their own organisation.

Who it is for

- Senior managers and directors
- Heads of department and service leads
- Leaders preparing for executive responsibility

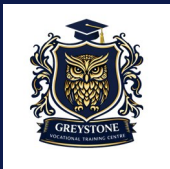

Units of study

#	Unit	What you will learn
1	Strategic analysis	Assessing the internal and external environment
2	Developing strategy	Setting vision, objectives and strategic options
3	Implementing strategy	Planning, resourcing and leading delivery
4	Managing finance and resources	Budgets, business cases and resource decisions
5	Measuring performance	Using data and KPIs to review and improve

Progression

- Executive and director-level roles
- Postgraduate study in leadership and management
